

Emergency Assistance/Volunteer Form

The Parish Council are hoping to recruit a team of volunteers who would be able to assist people in emergency situations in a variety of roles. It may be that you have specialist knowledge such as first aid, nursing, veterinary skills, etc. Or you may be able to collect someone's medication from the Chemist or even just to check on an elderly or disabled neighbour to ensure they are OK. We may just need someone to have a visible presence in an area to give reassurance.

Whatever you can offer would be appreciated in an emergency situation. Please complete this form and hand in to the Parish Council Office where more forms are available.

This is entirely voluntary and we know many people do this already. In an emergency we need to know how many people we can rely on to support vulnerable people and to co-ordinate their efforts.

<i>If you wish to be added to our list of volunteers please provide the details below:</i>
