4.	<p><b>MINUTES OF THE PREVIOUS MEETING:</b> The Minutes of the meetings held on 21 March 2018 were approved – Hardy and Cook abstained due to not been at meeting.</p> <p>The following statements were read:  <b>D Hardy read:</b> As Trustees and Parish Councillors we all give our time freely to represent the parishioners of Thorngumbald, Camerton and Ryehill. We all have a wealth of experience and qualifications, and I am sure we all have a degree from the University of Life. Having read from afar the emails sent between councillors and having seen that Anna Campbell felt she had to resign has saddened me greatly. We all deserve to be treated with respect and have the right to speak freely, without intimidation. We should strive to uphold the ethos of this council and adhere to the Code of Conduct at all times. Anyone who feels unable to follow these ideals should not be part of this group of people, who I consider not only fellow councillors, but friends. The same conduct must also apply to the people we employ.</p> <p><b>M Wilson read:</b> I have received confirmation from the Fire Service that the building as it stands has adequate documentation and all relevant certificates in place and is fit for purpose to continue to hire out. The behaviour of the last two meetings was very close to breaching the Code of Conduct, if this continues I will have no choice but to ask the person to be removed or stop the meeting.</p>
5.	<p><b>MATERS ARISING:</b></p> <ul style="list-style-type: none"> <li>• I Bottomley told the trustees that the sub-committee had met with representatives of Hope Bridge School to discuss their needs. I Bottomley also told trustees that as and when any upgrade to the certificates in place are needed we will continue to use independent inspectors – <b>RESOLVED.</b></li> </ul>
