

A banner with a central rectangular box containing the text "Thorngumbald Ladies Club". The banner has pointed ends on both sides.

Thorngumbald Ladies Club

10th March 2015

Members were informed that the summer outing, planned for Wednesday 10th June, would not now include a Steam Train ride, as the train does not run on Wednesdays. Members decided they would rather visit Skipton Market, which is held on a Wednesday, than change the day to accommodate the Steam Train ride.

Instead, we would now spend some time in Knaresborough. Times had not yet been confirmed, but it was thought an 08:00 start was necessary due to the distance, and a 5:30 leaving time.

There was no meal included, so members could take pack up, or chose an eating place to suit their own tastes and budget.

Approximate costs would now be £5 for members, subsidised by the Club Funds, and £10 for guests, who would not be subsidised by the Club Funds. This will be confirmed as soon as the bus company confirms their costs.

Going forward, all Quiz prizes would be supplied from Club Funds.

All members who have not already done so are requested to pay their club subs for this year.

If any members have not completed an updated contacts slip, either in February or March, they are asked to do so.

The Club Secretary has the slips.

Next month's speaker is a representative from The Deep, who will talk to us about the resident penguins.

Tea Duties for April are: Janice Stone, Betty Laidlaw and Mary Jones.

Pam Cooper and Pat Fulstow will provide us with a game of Bingo.
